

BETTER TRAINING FOR SAFER FOOD
Training Course on
Contingency Planning and Animal Disease Control

TRAINING APPLICATION FORM

Please carefully fill-in this application form before sending it to your [National Contact Point](#) (within your competent authority).

This Training Application Form **has to be submitted together with:**

- 1) **the contingency plan for FMD and**
- 2) **the operational manual and SOPs (Standard operational procedures) which describe human killing of cattle in your country.**

Contingency plan, operational manual and SOPs must be uploaded on our FTP platform

For standard users: Please copy/paste the link below in your FILE EXPLORER (not in the internet explorer)

ftp://ftpsher-RIG:sb391J32630v@ftp.ftpsher.be

For Filezilla users, please use the following details

- Address ftp.ftpsher.be
- ID ftpsher-RIG
- Password : sb391J32630v

In case of any problems, please send an email to 2013.96.07.contingency@jvl-c.com or

call 0032 81 32 79 97

During some training exercises, you will have to work on computers, which will be provided by the organizer. However, for your own comfort and convenience, **feel free to bring your own laptop.**

Please note that the designated National Contact Points are responsible for the participant selection. Selected participants will receive a confirmation letter containing all relevant information on the training session they will attend.
