Travel advice for travellers returning from at risk areas of China

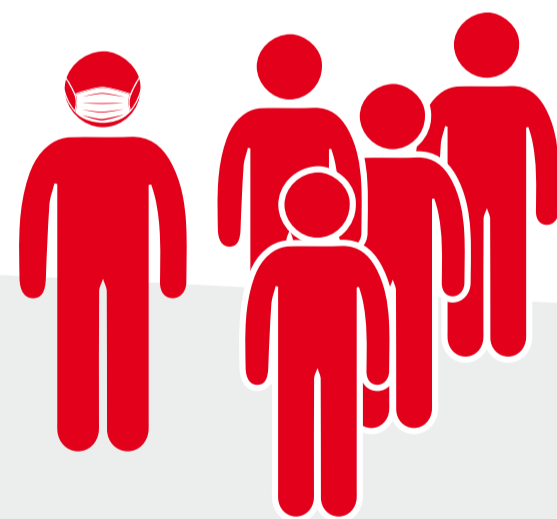

During your stay in Italy

If you develop respiratory symptoms
(fever, coughing, sore throat, difficulty in breathing)
within two weeks of your return
on a precaution basis it is recommended that you:

*quickly contact
the phone number "1500"
of Ministry of Health*

*wear a surgical mask
if you are in contact
with other people*

*use disposable
tissues*

*wash your hands
regularly*

*Further recommendations, information and updates will be published on the Ministry of Health portal
