Overview of COSMOS4HE

In the framework of Horizon Europe

- ❑ Space as part of Cluster 4 – Digital, Industry and Space
- ❑ COSMOS4HE one of the three Cluster 4 NCP networks
- ❑ Space community & NCPs in the framework of Cluster 4

Overview of COSMOS4HE

Objectives

- ❑ to increase the quality and support harmonisation of Space NCPs services
- ❑ to lower the entry barriers for newcomer applicants, to attract new types of players and applicants from widening countries, as well as to raise the quality of submitted proposals
- ❑ to increase the visibility of the thematic area of Space to new types of players by organizing matchmaking activities and ensuring bilateral communication about the crosscutting issues throughout Horizon Europe for the benefit of the European R&I community

Key activities and services

The screenshot displays the COSMOS4HE website. The header features the COSMOS logo on the left and a navigation menu with links: Home, News, Events, Services, Horizon Europe, About Us, and Contact. On the right of the header, there are social media icons and a search bar labeled "Search...". The main content area has a dark background with a satellite and the Earth. The headline reads: "COSMOS4HE, the EU funded network of National Contact Points (NCPs) for space". Below this, a sub-headline states: "Serving the needs of potential participants of Horizon Europe space through information and advice on funding opportunities." A blue sidebar on the right contains a "Subscribe to Newsletter" section. It includes the text: "Sign up for the newsletter and receive monthly updates of space-related news and events! You can unsubscribe at any time." Below this text is an input field labeled "Enter email address" and a blue envelope icon.

COSMOS4HE, the EU funded network of National Contact Points (NCPs) for space

Serving the needs of potential participants of Horizon Europe space through information and advice on funding opportunities.
