

Dear Sir/Madam,

in Italy it is necessary a certificate for the carrying by travellers under treatment of medical preparations containing narcotic drugs and/or psychotropic substances (Decree of Ministry of Health 16 november 2007, here enclosed).

This certificate has to contain the following :

**A. Country and place of issue** (Country, place of issue, date of issue, period of validity max 30 days)

**B. Prescribing physician** (Last name, first name, address, number of licence)

**C. Patient** (Last name, first name, sex, place of birth, date of birth, home address, number of passport or of identity card, intended country of destination)

**D. Prescribed medical preparation** (Trade name of drug or its composition, dosage form, number of units (tablets, ampoules etc.), international name of the active substance, concentration of active substance, total quantity of active substance, duration of prescription in days, signature and stamp of prescribing physician )

**E. Issuing authority** (Official designation (name) of the authority, address, official seal of the authority, signature of responsible officer)

This certificate **must** be in the traveller's possession during the stay in Italy, and **must** be available on request for presentation to the authorities (custom, police).

Best regards
