

Day 1				Day 2				Day 3				Day 4	
1. EU Agricultural Product Quality Policy, PD schemes				2. OFFC, CA & CB responsibilities, verification of compliance, fraud prevention				3. Verification of compliance, reporting, information exchange, controls				4. Accreditation and labelling	
08:30				Soeiro Ana	2.1. Criteria of the OFFC system (Reg. (EC) N° 882/2004) applied and connected with protection of PDOs, PGIs and TSGs			Kireeva Irina + NAT EXP	3.1. CASE STUDIES: Verification of compliance with specifications		National experts (ACC Body)	4.1. Accreditation of control bodies: EN 45011 or ISO/IEC Guide 65 (General requirements for bodies operating product certification systems) and Regulation (EC) N° 765/2008	
09:00				Soeiro Ana + NAT EXP	2.2. DEBATE: Best practices and difficulties regarding OFFC implementation								
09:30				Soeiro Ana	2.3. Responsibilities and requirements for the CA			Kireeva Irina	3.2. Reporting requirements regarding official controls				
10:00				Soeiro Ana	2.4. Supervision of Control Bodies by the CA			Kireeva Irina + NAT EXP	3.3. CASE STUDIES: Issues of protection of PGIs, PDOs or TSGs within the EU and outside, unlawful use of registered protected names: misuse, imitation, evocation, etc.		Kireeva Irina + NAT EXP	4.2. DEBATE: Accreditation and supervision: functioning of both processes; usefulness and disadvantages of having both processes	
10:30					Coffee break				Coffee break			Coffee break	
11:00				Soeiro Ana + NAT EXP	2.5. CASE STUDIES: Supervision of control bodies by the CA			Kireeva Irina	3.4. Communication between CA, CBs and COMM in case of irregularities		Kireeva Irina	4.3. General labelling requirements and specific issues of labelling of PDOs, PGIs and TSGs	
11:30				Soeiro Ana	2.6. Responsibilities of Control Bodies			Bott Julian	3.5. Risk based approach for Protected Designation Products (interpretation of analysis results)		Kireeva Irina	4.4. CASE STUDIES: Labelling of PDOs, PGIs and TSGs - major issues of control on a market level	
12:00					Lunch			Bott Julian	3.6. CASE STUDIES: Risk based approach and issues of verification of compliance for protected designation schemes		Feedback and day conclusions Conclusions of the seminar		
12:30		Registration						Lunch				Closing session	
13:00	Opening and welcome; Introduction: objectives of the workshop; Presentation of each participant												
13:30	Kireeva Irina	1.1. Introduction: EU Agricultural Product Quality Policy; Benefits of PDOs, PGIs and TSGs in the EU – Economic, Quality, Local Development; Significance of PDOs, PGIs and TSGs for the EU trade		Soeiro Ana	2.7. Organisation of controls, Verification of compliance vs. Official controls			Bott Julian	3.7. Controls on primary and secondary production (including packaging issues, traceability and responsibilities of control bodies)				
14:00	Kireeva Irina	1.2.EU Legal Framework for the protected geographical indications and traditional specialities - Scope and level of protection, control as an essential element of protection and a tool for marketing		Soeiro Ana	2.8. Verification of compliance with specifications			Bott Julian	3.8. CASE STUDIES: Controls on primary and secondary production				
14:30	Kireeva Irina	1.3. European experience on protection of PDOs, PGIs and TSGs					Bott Julian	3.9. Controls on the distribution, storage & transport chains (including wholesale level)					
15:00		Coffee break			Coffee break			Bott Julian	3.10. CASE STUDIES: Controls on the distribution, storage & transport				
15:30	National experts	1.4. National (hosting country) experience on protection of PGIs, PDOs and TSGs, savings for certain prior uses: Generic terms, plant varieties, animal breeds and relation to intellectual property		Soeiro Ana	2.9. Non compliances and sanctions, prevention of fraudulent practices					Coffee break			
16:00	Kireeva Irina	1.5. General registration procedure and protected designations control guidelines at EU and national levels					Bott Julian	3.11. Controls at retail level					
16:30	Kireeva Irina	1.6. Specific aspects of TSGs		Soeiro Ana + NAT EXP	2.10. EXCHANGE OF INFORMATION AND EXERCISES: Non compliances and sanctions, prevention of fraudulent practices			Bott Julian	3.12. CASE STUDIES: Controls at retail level				
17:00	Kireeva Irina + NAT EXP	1.7. DEBATE: Differences between protection and control of PDOs, PGIs and TSGs		Soeiro Ana + NAT EXP	2.11. DEBATE: Minor and major non compliances and sanctions			Feedback and day conclusions					
17:30	Feedback and day conclusions				Feedback and day conclusions
